

Presented by New Mexico Wildlife Center

LIVE ANIMALS

at Hyde Memorial State Park

Sunday
May 17
2026

10:30 -
11:30 am

Curious about the wildlife that can be found around you?

New Mexico Wildlife Center will be introducing one or more of our native **animal ambassadors**, explaining why they are permanent residents at our center, and delving into their adaptations and other natural history information.

We'll discuss what **you** can do to help their wild counterparts, and offer tactile opportunities using some of our educational collection of **skulls and other artifacts!**

Hyde Memorial State Park
at the Lodge
Santa Fe, NM 87501
